REFACING PROGRAM

The Beauty of Refacing

Update and improve out-of-date cabinetry with the most complete Refacing Program in the business.

After: RS7 (977) in Blonde Maple. Deco Lam® (987) in Blonde Maple on face frames and end panels. Crown Molding (422) in Blonde Maple. Round Knob Hardware in Satin Nickel (7759).

THE DECORE-ATIVE SPECIALTIES REFACING PROGRAM offers one-stop shopping with all the tools necessary to completely reface and customize a kitchen, along with time and space saving features. Products we offer include:

- Cabinet Doors bored for Hinges
- Drawer Boxes and Drawer Glides
- Hardware and Accessories
- Moldings and Deco Lam® Strips
- Sales Kits and more!

Cabinet refacing is a popular alternative to remodeling because it is available at a fraction of the cost and can be finished in much less time. Update and improve out-of-date cabinetry with the most complete Refacing Program in the business.

ACCESSORIES/HARDWARE

Add the finishing touches to your cabinet doors and drawer fronts by selecting from our great collection of pulls and knobs available in a variety of styles and finishes.

Other available accessories not shown: Hardware screws, drawer guide screws, clear bumper pads, roll-out bumpers, clear glass clips and roll-out spacers.

DRAWER BOXES

Decore-ative Specialties offers doweled Maple drawer boxes that are custom-sized, prefinished, and ready-to-assemble. They feature 1/2" 5-ply, prefinished Maple sides and 1/2" or 1/4" prefinished Maple bottoms. The drawer sides have Maple PVC banded tops for the look of solid Maple at a fraction of the cost. We also offer similar boxes in White Melamine.

To complement our drawer boxes, Decore-ative Specialties offers bottom-mounted, single-extension drawer guides and rear-mounting sockets.

Before

Create a consistent look with exact matches for doors, moldings, and Deco Lam®.

DECO LAM® (987)

Deco Lam® is a revolutionary new product in kitchen remodeling. Similar to traditional laminate, Deco Lam® offers an exact color match to doors, drawer fronts, and moldings. It is made from bonding a durable layer of phenolic backing to the same foil used on doors. It is easy to install and apply, and provides a perfect match every time.

Perfect Match

THE BENEFITS OF DECO LAM®

- **Color Matches are 100%**
Eliminate matching issues. Deco Lam® provides a perfect match for all doors, drawer fronts, face frames, moldings and accessories.
- **Color Selection**
Available in 13 colors, Deco Lam® offers a wide range of colors from solids to woodgrains (Available colors shown on right side of page).
- **Full Sheet or Standard Widths, You Decide!**
Deco Lam® is available in full 48"x 96" sheets or custom width strips from 2" to 46" wide.
- **Easy Installation**
Deco Lam® is installed in nearly the same manner as high-pressure laminate with only slight modifications. We will provide you with the information you need to make installation trouble free.
